Complaint Submit to Extended to the Court

offenders present this issue to including some challenges the defendant to this
law suit in the United States District Court of Southern District of Texas
This Suit was brought by Plaintiff Isaac Hudson Jr. against the TDCJ & CORNELL
Some time ago the Plaintiff would like to extended this Complaint, within
the named of the defendant TDCJ officer failed to act to a workers Compensation
law or a workers Comp related injury regarding of the fact he was injured in
a job related injury and was injured in a job related injury

TDCS and Disciplinary for refused to turn out for his work assignment on a work related injury. All case was major disciplinary and didn't currently taken anything in a legal matter, Prior to the Plaintiff workers comp injury... I had all of Burt documented on hardy, but TDCS did not recommendations them into legal matter and I was, transfer Cust G4 classification, by UEC and tooked my time L-1 to L-3 45+ 45+ 45+ 45 good time 12 month, for refused to workers or to turn out for his work assignments without legitimate reason, which TDCS failure to qualify to the Court + determine of United States Court of Appeals about my injury, which I am in legal issue which I am in Court of Appeals... Amended to this Complaint were immaterial, because to bearing on merits of the, Plaintiff Claims, applies when there has been (1) A Judgment on the same cause of action on merits in a prior prior suit (2) involving the same parties or their privies; and (3) A Subsequent suit based on the same cause of action. The Court takes a view of whether suit are based the cause of action, and it focuses on the essential similarity of the underlying events given and rise to the various of legal claim. Thus, even if a second suit alleges the same, which new our different events are the allegess does compel to the same result, because a claim extinguished by the plaintiff includes all rights of the plaintiff to remedies against the defendants with respect to all or any part of the transaction or series of connected transactions, out of which the action, arose. The suit at the issue here is the second of the one Federal Suit, that the plaintiff had filed in this Court regarding to all defendants their, who properly involve July 10, 2019
